

# Automated Vending Manager (AVM) Coil Units

With our integrated plug-and-play inventory control software and intuitive touchscreen interface, our helix-coil units can be set up anywhere with a cell-phone signal, wifi or hardline Internet connection. Our system goes from out of the box to running in hours, not days.

## With our system, distributors:

- ✓ Capture more business.
- ✓ Compete on more than price.
- ✓ Increase customer stickiness.

## Your customers will:

- ✓ Reduce consumption by 20%+.
- ✓ Save valuable time with point-of-use dispensing.
- ✓ Streamline purchasing.
- ✓ Receive detailed reporting of usage and spending.
- ✓ Have 24/7 secure access without additional staff.

“The software is direct and to the point. They didn't clutter it. It's easy to use, and the support behind the system is unmatched.”  
- Dan Foust, DiVal Safety Supply

Intuitive touchscreen interface

*Refrigerated and mini-coil units are also available. Please inquire.*
